

("HTSUS"). Although the HTSUS subheading is provided for convenience and customs purposes, our written description of the scope is dispositive.

#### **Final Results of Review; Partial Revocation of Antidumping Duty Order**

The affirmative statement of no interest by the petitioner in PVA from Japan for use in the manufacture of an excipient or as an excipient in the manufacture of film coating systems which are components of a drug or dietary supplement, constitutes changed circumstances sufficient to warrant partial revocation of this order.

Therefore, the Department is partially revoking the order on PVA from Japan for use in the manner prescribed above, in accordance with sections 751 (b) and (d) and 782(h) of the Act and 19 CFR 351.222(g)(i). This partial revocation applies to all entries of the subject merchandise entered or withdrawn from the warehouse for consumption on or after May 1, 1998.

The Department will instruct the Customs Service ("Customs") to proceed with liquidation, without regard to antidumping duties, of all unliquidated entries of PVA from Japan for use in the manufacture of an excipient or as an excipient in the manufacture of film coating systems which are components of a drug or dietary supplement entered, or withdrawn from the warehouse, for consumption on or after May 1, 1998. The Department will further instruct Customs to refund with interest any estimated duties collected with respect to unliquidated entries of PVA from Japan for use in the manner prescribed above, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this changed circumstances review, in accordance with Section 778 of the Act.

This notice also serves as a final reminder to parties subject to administrative protection orders (APOs) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 353.34(d)(1997). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This changed circumstances review, partial revocation of the antidumping duty order, and notice are in accordance with sections 751 (b) and (d) and 782(h) of the Act and sections 351.216, 351.221(c)(3), and 351.222(g) of the Department's regulations.

Dated: July 20, 1998.

#### **Cornell University; Notice of Decision on Application for Duty-Free Entry of Scientific Instrument**

This decision is made pursuant to Section 6(c) of the Educational, Scientific, and Cultural Materials Importation Act of 1966 (Pub. L. 89-651, 80 Stat. 897; 15 CFR part 301). Related records can be viewed between 8:30 AM and 5:00 PM in Room 4211, U.S. Department of Commerce, 14th and Constitution Avenue, NW, Washington, DC.

*Docket Number:* 98-028. *Applicant:* Cornell University, Ithaca, NY 14853-1501. *Instrument:* Electron Microprobe, Model JXA-8900R. *Manufacturer:* Narishige Scientific, Japan. *Intended Use:* See notice at 63 FR 31737, June 10, 1998.

*Comments:* None received. *Decision:* Approved. No instrument of equivalent scientific value to the foreign instrument, for such purposes as it is intended to be used, is being manufactured in the United States.

*Reasons:* The foreign instrument provides characterization of elemental composition and structure in surfaces with resolution down to 1  $\mu$ m. The National Institute of Standards and Technology advised July 26, 1996 that (1) this capability is pertinent to the applicant's intended purpose and (2) it knows of no domestic instrument or apparatus of equivalent scientific value to the foreign instrument for the applicant's intended use (comparable case).

We know of no other instrument or apparatus of equivalent scientific value to the foreign instrument which is being manufactured in the United States.

#### **Rutgers-The State University of New Jersey; Notice of Decision on Application for Duty-Free Entry of Scientific Instrument**

This is a decision pursuant to Section 6(c) of the Educational, Scientific and Cultural Materials Importation Act of 1966 (Pub. L. 89-651, 80 Stat. 897; 15 CFR part 301). Related records can be viewed between 8:30 AM and 5:00 PM in Room 4211, U.S. Department of Commerce, 14th and Constitution Avenue, NW, Washington, DC.

*Decision:* Denied. Applicant has failed to establish that domestic instruments of equivalent scientific value to the foreign instrument for the intended purposes are not available.

*Reasons:* Section 301.5(e)(4) of the regulations requires the denial of applications that have been denied without prejudice to resubmission if they are not resubmitted within the specified time period. This is the case for the following docket.

*Docket Number:* 97-101. *Applicant:* Rutgers-The State University of New Jersey, Piscataway, NJ 08855. *Instrument:* Automated Thermal Conductivity and Specific Heat System, Model EMT 101. *Manufacturer:* Termis Ltd., C.I.S. *Date of Denial Without Prejudice to Resubmission:* April 28, 1998.
